One Way Vision Window Graphics

### **FLEXcon and Clear Focus Imaging Settle Patent Infringement Dispute Over One-Way Vision Graphics**

Santa Rosa, Calif., Sept. 26, 2013—FLEXcon Company, Inc. and Clear Focus Imaging announce that they have reached a confidential agreement to resolve a patent infringement suit filed in the United States District Court in Los Angeles in August 2012 relating to U.S. Patent Numbers 5,609,938 and 5,773,110 and the manufacture and sale of one-way vision graphics.

As a result of the settlement, FLEXcon will become licensed to manufacture, sell and/or use one-way vision graphics products under two patents owned by Clear Focus Imaging: U.S. Patent Numbers 5,609,938 and 5,773,110.

#### **About FLEXcon Company, Inc.**

FLEXcon is an innovator in adhesive coating, laminating and finishing of durable materials used in graphics applications, electronics and new products. Through a culture of curiosity, flexibility and a drive for excellence, FLEXcon is the trusted partner to a wide range of companies from printers and fabricators to engineers and designers developing products for existing and emerging markets. Headquartered in Spencer, Massachusetts the company has operations throughout North America and Europe with distribution worldwide.
