One Way Vision Window Graphics

## **PRESS RELEASE** FOR IMMEDIATE RELEASE

### **CLEAR FOCUS Celebrates 15th Anniversary with July Promotion**

**SANTA ROSA, CA** — June 22, 2009 — CLEAR FOCUS Imaging celebrates its 15-year anniversary in Santa Rosa on June 24, 2009. Since the company's founding in 1994, the wide-format digital imaging industry has undergone tremendous growth and transformative change. CLEAR FOCUS has been at the forefront of One Way Vision™ product developments and innovations that have helped to revolutionize the advertising industry and make possible the creation of building wraps, vehicle window graphics, POP and retail window posters, and other see-through graphics applications.

In celebration of its 15th birthday, CLEAR FOCUS has launched a mid-summer promotion beginning July 1 in which its North American distributors can purchase 60-inch-wide rolls of SuperVue® exterior-mount perforated window film at the 54-inch-wide price. The limited-time offer applies to standard 100-foot rolls as well as 1000-foot master rolls while supplies last. The promotion ends on July 31, 2009.

Also in commemoration of its anniversary, CLEAR FOCUS has released newly designed product data sheets covering its complete line of One Way Vision window graphics films and overlaminates. Available individually by product or as a set, the data sheets feature color photos illustrating representative applications, a 4x6-inch film sample and detailed specifications.

Based in Northern California, CLEAR FOCUS distributes its patented products globally and has offices in France and Germany. For more information, including information on the July promotion, contact the company by phone at 707-544-7990, by fax at 707-544-1886, or by email at [headoffice@clearfocus.com](mailto:headoffice@clearfocus.com).
