One Way Vision Window Graphics

PRESS RELEASE FOR IMMEDIATE RELEASE

CLEAR FOCUS One Way Vision™ Films Receive General Approval Renewals from City of Los Angeles

SANTA ROSA, CA — August 23, 2010 — ClassicVue® and ImageVue® perforated, pressure-sensitive window graphics films, manufactured by CLEAR FOCUS Imaging, Inc., have received General Approval renewals from the City of Los Angeles Department of Building and Safety. ImageVue was first approved on August 1, 2009 under Research Report 25792 and ClassicVue on September 1, 2009 under Research Report 25817 for use within the city of Los Angeles. The renewal period is two years from the date of issue.

Copies of the Research Reports are posted on the company's website at www.clearfocus.com as well as on the City of Los Angeles Department of Building and Safety's website at www.ladbs.org.

CLEAR FOCUS has submitted a renewal application to the City of Los Angeles for its SuperVue® window graphics film, which was initially approved November 1, 2009.

Founded in 1994, CLEAR FOCUS Imaging manufactures a full range of One Way Vision products for see-through window graphics. Based in Northern California, CLEAR FOCUS distributes its patented products globally and has offices in France and Germany. For more information, visit www.clearfocus.com or contact the company by phone at 707-544-7990 or by e-mail at headoffice@clearfocus.com.
